

Congress of the United States
Washington, DC 20515

February 5, 2020

The Honorable Donald J. Trump
President of the United States
The White House
1600 Pennsylvania Avenue, N.W.
Washington, DC 20500

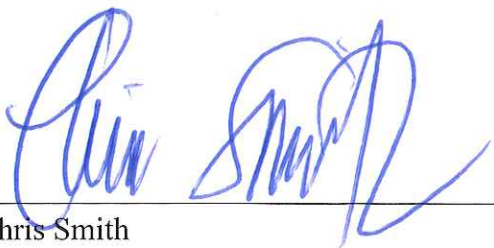

Dear President Trump:

We are writing to express our sincere gratitude for addressing the March for Life on the National Mall this year. You made history as the first President to speak to March participants in person. We deeply appreciate your firm, enduring commitment to life. As reflected by the enthusiasm of the hundreds of thousands in attendance, your inspiring presence sent a strong message of encouragement and hope.

This current generation of young people is rightly demanding tolerance for all persons. Young Americans will not accept the exclusion of vulnerable unborn children from their rightful, precious place in our society. This generation, so grounded in relational empathy, is the one that will heal our nation and end this contradiction. You saw their eager faces as you spoke: eager to stand for children; eager to stand for women.

Over the past three years, you have consistently taken an unwavering stand in support of the unborn. Your judicial appointments, administrative actions, and policy initiatives have established a positive pro-life environment in D.C. and throughout our country. We commend you for your reinstatement and expansion of the Mexico City Policy and for your pro-life changes to the Title X program. These and many other positive actions have cemented your reputation and legacy as a true friend of the pro-life community.

Again, thank you, Mr. President, for showing your dedication to life in word and deed. We appreciate your speech at the March for Life and look forward to continuing our work together to protect the sanctity of all life.
