Dear Secretary Vilsack:

Secretary

The Honorable Tom Vilsack

U.S. Department of Agriculture 1400 Independence Ave, SW Washington, D.C. 20250

We are writing you today regarding the \$200 million included in the *Coronavirus Response and Relief Supplemental Appropriations Act* to provide relief to timber harvesting and hauling businesses negatively impacted by the COVID-19 pandemic. Specifically, we urge you to move swiftly to disburse these funds as Congress intended, to provide necessary relief for one of Idaho's top industries.

On March 24, 2021, you announced the USDA Pandemic Assistance for Producers Initiative, which includes assistance to timber harvesting and hauling operations. While we were pleased to see this announcement, we are concerned with the slow rollout and urge you to distribute this Congressionally directed relief as soon as possible.

Idaho's forest sector is responsible for thousands of jobs, including loggers and timber haulers whose careers sustain many of Idaho's rural communities. While many of Idaho's agricultural producers have received business-saving relief from the Coronavirus Food Assistance Program, our timber producers continue to suffer.

It has been over three months since Congress passed the *Coronavirus Response and Relief Supplemental Appropriations Act* with wide bipartisan support in both chambers. Idaho's timber harvesters, haulers and the rural communities they support cannot afford to wait any longer. Therefore, we urge you to act swiftly and efficiently to ensure Idaho's timber industry receives the necessary financial assistance as directed by Congress.

Sincerely,

We appreciate your attention to this matter and look forward to your prompt response.

Mike Crapo U.S. Senator
