

Congress of the United States
Washington, DC 20515

September 10, 2020

The Honorable William P. Barr
Attorney General
United States Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Attorney General Barr,

We write to share our deep concerns regarding the ongoing violence that has gripped American cities and threatened the rule of law across our nation. ANTIFA and other left-wing anarchist groups have unleashed a barrage of totalitarian attacks on our country in recent months, including accosting a sitting U.S. Senator, hijacking peaceful rallies, organizing armed riots, destroying property, burning buildings, stealing livelihoods, and spreading hate.

It is clear that these individuals are well-funded and supported by a national network of left-wing activists committed to perpetrating violence and furthering anarchy in our streets. As such, we urge you to immediately open an investigation to identify and prosecute all individuals and groups responsible for funding and organizing these terroristic acts that are wreaking havoc on our nation.

As you know, 18 U.S. § 2101 makes it a federal crime punishable by up to five years in prison to incite a riot; organize, promote, encourage, participate in, or carry on a riot; commit any act of violence in furtherance of a riot; or aid or abet any person in inciting or participating in a riot. Tragically, we are seeing the letter and spirit of the law being desecrated on a daily basis, as ANTIFA and other organized groups of anarchists continue to infiltrate peaceful protests and launch violent attacks against American citizens. Tragically, these activities recently turned deadly in Portland, Oregon, as Michael Forest Reinoehl, who described himself as “100% ANTIFA” shot and killed a supporter of President Trump.

Additionally, the riots in Portland and other major American cities have revealed a targeted effort to destabilize our way of life, including deliberately targeting federal buildings and law enforcement in an effort to undermine the rule of law. The prolonged nature and organization of these violent attacks, including the rioters’ use of military grade helmets, gas masks, protective vests, and illegal fireworks, clearly displays the high level of coordination and outside funding supporting these anarchist groups. It is readily apparent that these individuals were outfitted for war and were clearly part of a planned effort to infiltrate peaceful protests, provoke violence, and further subvert our system of government.

Unfortunately, these are not isolated incidents. Well-organized factions of ANTIFA and other anarchist groups have taken advantage of peaceful protests to sow division, threaten free speech, and enflame tensions throughout the nation for more than 90 days.

The violence occurring in our cities cannot continue. The DOJ must take action to stop these dangerous attacks. As such, we urge you to fully investigate the groups responsible for these attacks on our republic and prosecute all individuals who are violating federal law by participating in, inciting, organizing, or funding these destructive riots. Thank you in advance for your consideration of this urgent request and your prompt action to protect our nation.

Sincerely,

Ken Buck
